

Hi Guys!! Great news, we are open again for you to come and sit in groups of 6 and enjoy a beer and food, but we've now put in new house rules to ensure that we can all stay safe and enjoy ourselves in a fun and healthy way.

These rules are for your safety and ours, if you are not adhering to them you will be asked to leave.

- We have clear signage in place, including floor markings, social distancing signage & directional signage. The entrance & exit will be separated to limit any crossover
- We have fitted extra hand sanitiser stations throughout the pub, please use these often including when entering and exiting the toilets.
- We will have a reduced capacity allowance inside & outside to adhere with social distancing of 2 metres where possible
- Children must stay seated at all times and must have vacated the premises by 9pm as per our licence.
- Please use contactless card payments where possible
- We will be operating with a reduced menu for in house and takeaway, all our food menus are single use and disposed of after every use
- Staff will be wiping all touch surfaces thoroughly and regularly. Tables will be sanitised after each party has left the table.
- The toilets will be cleaned and sanitised every hour. We will be operating a one in one out system and locks on the outer doors have been put in place. If the toilets are in use please return to your seat until they are free.

NHS Track and Trace

You will be asked for your contact details every time you enter the pub to comply with the NHS track and trace scheme. These details will be held for 21 days and then deleted, they will only be shared if needed to with NHS track and trace, this complies with the data protection act.
